SURREY BY-LAWS.

A BY-LAW

To authorize the Sale of Lands within the District of Surrey upon which Taxes have been due and in arrear for two years.

WHEREAS it is expedient that all lands within the District of Surrey upon which taxes have been due and in arrear for two years shall be sold and the proceeds applied in the reduction of such taxes:

Be it enacted, therefore, by the Reeve and Council of the Corporation of the District of Surrey:—

1. The Assessor and Collector of the Corporation of the District of Surrey is hereby authorized and directed to submit to the Reeve of the Corporation of the District of Surrey a list in duplicate of all the lands upon which there shall be at the time of the passing of this by-law unpaid municipal taxes in arrear for the period of two years prior to the passing of this by-law, with the amount of arrears against each lot set opposite to the same; and the Reeve shall authenticate such lists by affixing the seal of the Corporation and his signature; and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Assessor and Collector with a warrant thereto annexed, under the hand of the Reeve and the seal of the Corporation, commanding him to levy upon the land for the arrears due thereon, with his costs.

2. It shall not be the duty of the Assessor and Collector to make enquiry before effecting a sale of land for taxes to ascertain whether or not there is any distress upon the land, nor shall he be bound to enquire into or form any opinion of the value of the land.

3. The Assessor and Collector shall prepare a copy of the list of lands to be sold, and shall include therein, in a separate column, a statement of the proportion of costs chargeable on each lot for advertising and for the commissions authorized by this by-law to be paid to him, and shall cause such list to be published in some paper in the District of New Westminster, for a period of one month preceding such intended sale.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the lands for the taxes, on a day and at a time and place named in the advertisement.

5. The Assessor and Collector shall, at least three months before the time of sale, also deliver to or deposit in the post office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due; and in case the address of the owner or agent is unknown a notice to the same effect shall be posted up on the land intended to be sold; and shall also, at least three months before the time of sale, post a notice similar to the above advertisement in some convenient and public places, that is to say, at the Municipal Hall, Surrey Centre.

6. The day of sale shall be the second day of December, A. D. 1889, at the Municipal Hall, Surrey Centre, and shall begin at twelve o'clock noon.

7. If at the time appointed for the sale of the lands no bidders appear, the Assessor and Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Assessor and Collector shall sell, at public auction, so much of the land as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such lands for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

9. If the Assessor and Collector fails at such sale to sell such land for the full amount of arrears of the taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter; he shall give notice by advertisement in the paper in which the original notice was advertised of such adjourned sale, and on such day he shall sell such

lands for any sum he can realize, and shall accept such sum as full payment of such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay to the Assessor and Collector the amount of the purchase money, the Assessor and Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Assessor and Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds of such sale to the said Clerk.

12. The Assessor and Collector, after selling any land for taxes, shall give a certificate under his hand to the purchaser, stating distinctly what part or proportion, as the case may be, of the land, and what interest therein, has been sold; or stating that the whole lot, section, or estate has been so sold, and describing the same, and also stating the quantity of land, the sum for which it has been sold, and the expenses of sale; and further stating that a deed conveying the same to the purchaser, or his assigns, according to the nature of the estate or interest sold, will be executed by him and the Reeve, on his or their demand, at any time after the expiration of one year from the date of the certificate, if the land be not previously redeemed.

13. The Assessor and Collector shall be entitled to twelve per centum commission upon the sums collected by him as aforesaid.

14. This by-law may be cited for all purposes as a "By-law to authorize the sale of lands for taxes (delinquent and in arrear for two years previous to the passage of this by-law) within the District of Surrey."

A BY-LAW

To provide for dyking and draining parts of the Corporation of the District of Surrey.

WHEREAS a majority in number of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking and drainage, have petitioned the Council of the said Corporation of the District of Surrey praying for the dyking and drainage of certain lands, which are the lands hereinafter described, by the construction of certain works, which are the works hereinafter provided for;

And whereas, thereupon the said Council procured an examination to be made by Albert J. Hill and Company, engineers and land surveyors, being persons competent for such purpose, of the said locality proposed to be dyked and drained, and also procured plans and estimates of the work to be made by the said Albert J. Hill and Company, and an assessment to be made by them of the real property to be benefited by such dyking and drainage, stating as nearly as possible in their opinion, the proportion of benefit

which will be derived in consequence of such dyking and drainage by every road and lot, or portion of lot, the said assessment so made and the report of the said Albert J. Hill and Company in respect thereof, and the said dyking and drainage, being as follows:—

The Reeve and Council of the Corporation of the District of Surrey:

GENTLEMEN,—We have the honour to report that your instructions to execute a survey of the lands proposed to be reclaimed by the Surrey Dyking and Drainage Scheme (by the construction of a dam in the Serpentine River, and a dyke extending from the high land on the north and south line on west side of Lot 51, Group 2, New Westminster District, and following the shore line, as shown by plans and profiles, to a connection with the existing system of dykes on the north bank of the Nicomekle River) have been carried out and the results are embodied in the plans, &c., &c., herewith submitted.

The acreage subject to tidal overflow, including lands up to one foot above extreme high water level, is 7,348.54 acres, and the acreage of lands from one to three feet above extreme high water level is 612.85 acres.

The acreage of land subject to overflow in the same

manner, and included within highway limits, is 37.00 acres, and the material required to raise the highways affected to one foot above high water mark will be 25,588 cubic yards.

Similar lands, included in the right of way of the N. W. S. Railway, is 20 acres.

We submit that owing to benefits to be derived from the dyking and drainage scheme by lands from one to three feet above high water level they should bear a proportion of the assessed cost of construction, &c., &c., in the ratio of 75 to 100, as compared with lands below one foot above high water mark.

The land dyke required for the protection of the lands to be improved will, according to the line adopted, be in length 5.62 miles, and the cubic contents, approximately estimated, is 21,299 cubic yards, and will require eighteen sluices or flood-gates of moderate dimensions. Practically the whole line of dyke is on open prairie, hence clearing and grubbing will be a minimum.

Trusting that the information herewith submitted will be satisfactory, and sufficiently full and explicit for the purposes intended.,

We have the honour to be, Gentlemen,
Your obedient servants,
A. J. HILL & Co.

Be it therefore enacted, by the said Municipal Council of the said Corporation of the District of Surrey, pursuant to the provision of the "Municipal Act, 1889," as follows:—

2. That for the purpose of paying the sum of \$12,000, being the amount charged against the said lands so to be benefited as aforesaid, other than roads belonging to the Municipality, there shall be assessed and levied, in the same manner and at the same time as taxes are levied upon the lots and parts of lots in the said report and assessment mentioned, the several sums with which the same are therein charged respectively, in two equal parts, one such part in the year 1890 and one such part in the year 1891.

3. That for the purpose of paying the sum of \$400, being the amount assessed as aforesaid against the said roads of the said Municipality, one half part thereof shall be levied (in the same manner and at the same time as taxes are levied) upon the whole rateable property in the said District of Surrey in each of the said years.

4. In case of complaint, by the owner or any person interested in any property assessed, whether of over-charge or under-charge of any other property assessed, or that property which should be assessed has been wrongfully omitted to be assessed, every such complaint, and the proceedings in appeal thereon, shall be heard, and be had and determined, as nearly as may be, as in the case of an ordinary assessment.

This By-Law may be cited for all purposes as the "Surrey Dyking and Drainage By-Law, 1889."

Passed the Municipal Council this 10th day of August, 1889.

Reconsidered and finally passed, and the seal of the Corporation appended hereto, this day of 1889.
